

OCM-YDO ACCOMPLISHMENT REPORT ***GAD FUND***

PERSONALITY AND SKILLS DEVELOPMENT TRAINING

The Personality and Skills Development Training was successfully conducted on May 28, 2025, at the People's Palace, Cotabato City. The event gathered 50 participants from Senior High School and Tertiary Level, aiming to equip them with essential skills for personal growth.

The activity served as a meaningful platform for students to enhance their personality and interpersonal skills, contributing to their overall growth and readiness for future challenges.

DOCUMENTATION

PHOTO DOCUMENTATION

During the "Getting to Know You: Common Ground" activity, the youth participants asked their groupmates about the things they have in common. After gathering the information, each group selected a representative to share and report the commonalities they discovered with one another.

PHOTO *DOCUMENTATION*

The participants actively engaged in the workshops conducted for both topics discussed during the activity. They collaborated in group discussions, shared personal insights and experiences, and participated in interactive exercises designed to deepen their understanding of the topics. The workshops provided a platform for them to reflect, learn from one another, and apply what they've learned through meaningful dialogue and group activities.
